

# Fullerton Health FHN3 Mobile Application Guide

# Fullerton Health NEW FHN3 Mobile App

**With effect from 1 February 2018**

## Existing Users:

Simply refresh the app by updating it

OR

delete and reinstall the app again

*Search for FHN3 and download  
via AppStore / Play Store*

Suitable for

# Fullerton FHN3 Mobile App

*Illustration only*

## Cashless Medical Outpatient Panel Visits

- Cashless medical visits to panel GP clinics, specialist clinics, TCM and Dental with the e-healthcard, subject to applicable benefits, co-payments and annual limits
- Clinic locator with GPS functions

## Submission of non-panel / flexible claims

- Easy and convenient submission of claims
- View claims and payment status
- User education and support via call centre and email

## Mobile App

- Download via AppStore / Play Store
- Stable and customisable platform
- Enjoy lifestyle benefits

## New Features

### One-Touch Log in

- Available for smartphones with fingerprint identification for faster log in
- Log in using member's fingerprint instead of entering their user ID and password every time
- Auto conversion to Face ID for iPhone X users

### New User Interface

- More intuitive and easier navigation of the various functions

### Higher performance

- Faster loading speed

### E-Healthcard

- Automatic display of member's e-healthcard on home page upon log in
- Option to display dependants' e-healthcard, if applicable

### Submission of Claims

- Simpler and clearer step-by-step submission
- View available balance by claim type, if any

### View Benefits Summary

- View balance of benefits (if any) for easier reference, e.g. budget balance

# Login

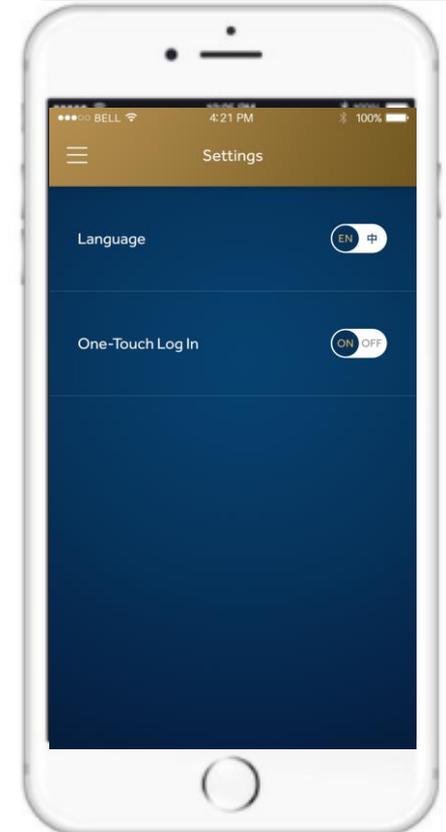

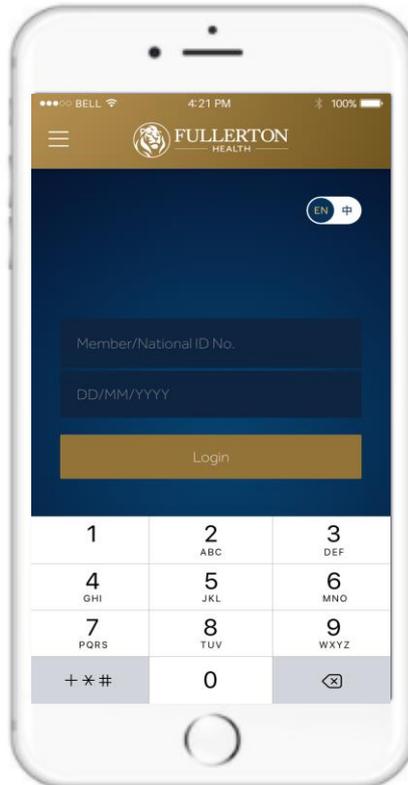

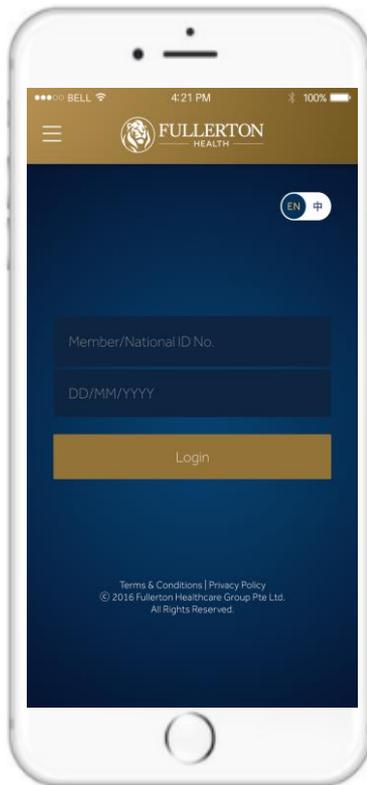

## LOGIN

User ID : National ID

Password : Date of Birth (DD/MM/YYYY)

Activate  
**ONE-TOUCH LOG-IN** for easier &  
more convenient access

Select  
**LANGUAGE**  
(English / Chinese)
